#### **Categories of Members: Britannia and Britannia Europe**

- 4 Neither any alteration to these Articles which constitutes a variation of the rights attaching to either or each Category as set out in these Articles nor any resolution of the Board contrary to the specific rights of either or each Category as set out in these Articles shall have effect without the approval of a separate meeting of the Members of each affected Category.
- 5 The votes of the Association as a member of each of Britannia and Britannia Europe exercisable by it in terms of their articles of association, shall be exercised by the Board in accordance with the directions of the Britannia Members and the Britannia Europe Members respectively (such directions shall be made in a manner prescribed by the Board and may be combined with the proxy forms issued by Britannia and Britannia Europe to their members) so as to secure an outcome reflecting the aggregate of the directions received Provided that the Board shall be entitled to exercise such votes independently of any directions received from members of either Britannia or Britannia Europe if the resolution proposed at a general meeting of either relates to:

### **General meetings**

- 7 The Association shall in each year hold a general meeting as its annual general meeting in addition to any other meetings in that year and shall specify the meeting as such in the notices calling it; not more than fifteen months shall elapse between the date of one annual general meeting of the Association and that of the next.
- 8 All general meetings other than annual general meetings shall be called general meetings.
- 9 The Board may, whenever it thinks fit, convene a general meeting and general meetings shall also be convened on such requisitions or, in default, may be convened by such requisitionists as provided by the Acts.
- 10 All general meetings shall be held at such time and place as the Board shall appoint.

### **Notice of general meetings**

- 11 A general meeting of the Association shall be called by not less than fourteen Clear Days' notice in writing. The notice shall specify the place, the day and the hour of the meeting and, in case of special business, the general nature of that business. A general meeting shall, notwithstanding that it is called by a shorter notice than that specified in this Article, be deemed to have been duly called if it is so agreed:
- (a) in the case of a general meeting called as the annual general meeting, by all the Members entitled to attend and vote thereat; and
  - (b) in the case of any other general meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together representing not less than 95% of the total voting rights exercisable at that meeting.
- 12 The accidental omission to give notice of a general meeting to or the non-receipt of notice of a meeting by any person entitled to receive notice shall not invalidate the proceedings at the meeting.

### **Proceedings at general meetings**

- 13 No business shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Save as herein otherwise provided, five Members present in person or by proxy and having the right to vote shall be a quorum. A Member may attend and participate in a general meeting by telephone or other communication equipment which allows all persons participating in the meeting to hear each other and a Member participating in a general meeting in such manner shall be deemed to be present in

person, shall be entitled to vote and shall be counted in a quorum; where a vote is taken on a show of hands, a Member present in such manner may cast his vote orally.

- 14 A Member entitled to attend and vote at a general meeting is entitled to appoint another person as his proxy to attend and vote instead of him and such proxy shall have the right to speak at the meeting.
- 15 If within half-an-hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved; in any other case the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other day and at such other time and place as the Board may determine and if at such adjourned meeting a quorum is not present within half-an-hour from the time appointed for the meeting, the Members present in person or by proxy shall be a quorum.
- 16 The Chairman (or in his absence the Deputy Chairman) shall preside as chairman at every general meeting of the Association or, if neither the Chairman nor the Deputy Chairman shall be present within fifteen minutes after the time appointed for the holding of the meeting or be willing to act, the Members present shall choose some Director (not being a Manager Director) then present to be chairman of such meeting. If at any Meeting no Director (other than a Manager Director) is present (or all such Directors present decline to take the chair) the Members present shall choose one of their number to be chairman of the meeting.
- 17 The chairman of the meeting may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place. When a meeting is adjourned for fourteen days or more, seven Clear Days' notice at the least, specifying the place, the day and the hour of the adjourned Meeting shall be given, but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, no Member shall be entitled to any notice of an adjournment. No business shall be transacted at any adjourned meeting other than the business which might have been transacted at the meeting from which the adjournment took place.
- 18 At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded:
  - (a) by the chairman of the meeting; or
  - (b) by at least three Members present in person or by proxy and entitled to vote; or
  - (f) by any Member or Members present in person or by proxy and entitled to vote and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting.

Unless a poll be so demanded, a declaration by the chairman of the meeting that a resolution has, on a show of hands, been carried or carried unanimously or by a particular majority or lost, and an entry to that effect in the book containing the minutes of proceedings of the Association shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution. The demand for a poll may be withdrawn.

- 19 If a poll is duly demanded the same shall be taken in such manner as the chairman of the meeting directs, including the use of ballot or voting papers, and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 20 In the case of an equality of votes whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 21 A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either immediately or at such time (not being more than 30 days from the date of the meeting at which the poll was demanded) as the chairman of the meeting directs. No notice need be given of a poll not taken immediately and the demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the resolution on which a poll was demanded.

### **Voting at general meetings**

- 22 Subject to any special rights or restrictions as to voting attached by, or in accordance with, these Articles, on a show of hands every Member who is present in person and on a poll every Member who is present in person or by proxy shall:

  - (b) if he is a Britannia Europe Member:
    - (i) have one vote for each Ship which is entered for Insurance in Britannia Europe and whose Full Tonnage is 1,500 tons or more (excluding those so entered on the basis of paying a fixed contribution);
    - (ii) have one vote for all Ships so entered the Full Tonnage of each of which is less than 1,500 tons (excluding those so entered on the basis of paying a fixed contribution);

  - (e) if he is a Member pursuant to Article 3(a)(iii), have one vote.
- 23 In the case of joint Members the vote of the senior Member who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the other joint Members and for this purpose seniority shall be determined by the order in which the names stand as joint Members in the Register.
- 24 No Member shall, unless the Board otherwise determines, be entitled to vote either in person or by proxy at any Meeting or to exercise any other privilege as a Member unless and until he shall have paid all monies for the time being due and payable from him to Britannia, in the case of Britannia Members, or Britannia Europe, in the case of Britannia Europe Members.
- 25 The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorised. An instrument of proxy may be in any common form or in such other form as the Board shall approve and need not be witnessed. No person shall be appointed a proxy unless he is himself a Member or the duly authorised representative of a body corporate which is a Member.
- 26 The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of that power of attorney or authority shall be deposited at the Office or at such other place within the United Kingdom as is specified for that purpose in the notice convening the Meeting or adjourned Meeting at which the person named in the instrument proposes to vote or in the case of a poll not less than 24 hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid.
- 27 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 28 The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
- 29 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the proxy or of the authority under which the proxy was executed Provided that no intimation in writing of such death, insanity or revocation as aforesaid shall have been received by the Association at the place of the meeting before the commencement of the meeting or adjourned meeting at which the proxy is used.
- 30 Any corporation which is a Member may, by resolution of its directors or other governing body, authorise such person as it thinks fit to act as its representative at any meeting of the Association and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Member.

## **Separate meetings of Categories of Member**

- 31 The Board may, whenever it thinks fit, convene a separate meeting of the Members of either Category and such separate meetings shall also be convened on the signed requisition in writing of not less than fifteen Members of the Category in question being entitled to exercise not less than 15% of the votes exercisable at such meeting. If the Board fails to convene a meeting so requisitioned within twenty-one days from the date of the deposit of the requisition, the requisitionists may themselves convene such a meeting. All the provisions of the Acts shall, mutatis mutandis, apply to any such requisition as if such requisition were in respect of a general meeting of the Association. All the provisions as to general meetings contained in these Articles shall, mutatis mutandis, apply to such separate meetings.

## **Management**

- 32 The business of the Association shall be conducted by the Board and the Managers. The Board shall exercise such powers as are given to them by these Articles and the Managers shall exercise all such other powers of the Association as are not, by the Acts or these Articles, required to be exercised by the Association in general meeting or by the Members of any Category at a separate meeting, but no resolution of the Association in general meeting or the Members of any Category at a separate meeting shall invalidate any prior act of the Board or the Managers which would have been valid if such resolution had not been passed.
- 33 The Board may entrust to, and confer upon, the Managers any of the powers exercisable by the Board upon such terms and conditions and with such restrictions as the Board may think fit and either collaterally with, or to the exclusion of, the Board's own powers and may from time to time revoke, withdraw, alter or vary all or any of such powers.
- 34 The Board shall have power to agree with them the terms of their appointment as the Managers. In the event of their ceasing, for any reason, to be the Managers, then the Board shall have power to appoint new Managers upon such terms as the Board and such new Managers may mutually agree.

- 37 The Board may from time to time, and at any time by power of attorney, appoint any company, firm or person or body of persons, whether nominated directly or indirectly by the Board, to be the attorney or attorneys of the Association for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Articles) and for such period and subject to such conditions as the Board may think fit, and any such powers of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorney as the Board may think fit and may also authorise any such attorney to delegate all or any of the powers, authorities or discretions vested in him.

- 39 The Managers shall be entitled to nominate up to two executives of the Managers to be appointed as Directors; Directors so appointed shall not become Members.
- 40 The remuneration of Directors (other than Manager Directors) shall reflect the commitment of time involved in the discharge of their duties, including where applicable as members of sub-committees of the Board or in performing any special or extra services to the Association, and shall be determined by the Board on the recommendation of a sub-committee of the Board charged with making an objective assessment of such remuneration; the sub-committee shall take into account any overlap of time involved in Directors' duties as directors of the Association's subsidiaries. The Directors shall also be entitled to be reimbursed travel and related expenses incurred by them respectively in the performance of their duties in accordance with the Travel Policy approved by the Board on the recommendation of the above sub-committee of the Board.
- 41 A Director may:

- (i) be a party to, or otherwise directly or indirectly interested in, any transaction or arrangement with the Association or in which the Association is otherwise interested; and
  - (ii) be a director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise directly or indirectly interested in, any body corporate in which the Association is interested
- and where a proposed decision of the Board is concerned with such a transaction, arrangement, office or employment, that Director may be counted as participating in the decision making process for quorum and voting purposes, subject to the relevant Director making a declaration of the nature and extent of his interest in accordance with the Acts.
- (b) Subject to the provisions of the Acts and the Rules, the following shall not be treated as an interest:

- 43 (a) Subject to the provisions of the Rules, the Directors may authorise, to the fullest extent permitted by law, any matter which would otherwise result in a Director infringing his duty to avoid a situation in which he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of the Association and which may reasonably be regarded as likely to give rise to a conflict of interests.
- (b) Authorisation given by the Directors under Article 43 (a) may be subject to any terms and conditions which the Board considers appropriate and the Board may at any time vary or terminate such authorisation.
- (c) A decision to authorise any matter under Article 43 (a) may be made either at a meeting of the Board, or by a decision in accordance with Article 61, of those Directors entitled to vote on the matter; but the decision will only be effective if:

  - (ii) the matter is agreed to without any interested Director voting, or would have been agreed to had no interested Directors' votes been counted.
- (d) The provisions of this Article 43 shall not apply to any conflict of interest arising in relation to a transaction or arrangement between a Director and the Association. Article 42 shall apply to Directors' interests in any such transactions or arrangements.

  - (ii) is not given any documents or other information relating to the matter; or
  - (iii) both for quorum purposes and for voting purposes may or may not be counted or vote at any future Board meeting in relation to the matter.
- (b) Where the Directors have authorised any matter under Article 43, or where a matter falls within Article 42 (subject to a Director making a declaration of the nature and

extent of his interest in an office, employment, transaction or arrangement in accordance with the Acts), then an interested Director:

- (i) will not be required to disclose to the Association, or use for the benefit of the Association, any confidential information relating to the matter if to make such a disclosure would result in a breach of a duty or obligation of confidence owed by him in relation to or in connection with the matter;
  - (ii) may absent himself from Board meetings at which the matter may be discussed; and
  - (iii) may make such arrangements as he thinks fit not to receive documents and information in relation the matter, or for such documents and information to be received and read by a professional adviser on behalf of that Director.
- (c) Article 44 (b) does not limit any existing law or equitable principle which may excuse a Director from disclosing information in circumstances where disclosure would otherwise be required, or from attending meetings or receiving and reading documents in circumstances where such actions would otherwise be required.
- (d) Where the Directors authorise a matter under Article 43, or where a matter falls within Article 42, then an interested Director:
- (i) will be obliged to conduct himself in accordance with any terms and conditions imposed by the Directors in relation to the matter; and
  - (ii) will not infringe any duty he owes to the Association under sections 171 to 177 of the Companies Act 2006 if he complies with any terms, limits and conditions (if any) imposed by the Board in relation to the authorisation and, where relevant, makes any disclosure required by the Acts.
- (e) In relation to any matter which has been authorised under Article 43, or where a matter involves a transaction or arrangement which falls within Article 42 (subject to a Director making a declaration of the nature and extent of his interest in an office, employment, transaction or arrangement in accordance with the Acts):
- (i) an interested Director will not be accountable to the Association for any benefit conferred on him in connection with that matter;
  - (ii) the receipt of such a benefit shall not constitute a breach of his duty under section 176 of the Companies Act 2006; and
  - (iii) no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.

### **Rotation, appointment, disqualification and removal of Directors**

- 45 One third of the Directors for the time being (excluding those appointed following nomination under Article 39) or, if their number is not three or a multiple of three, then the number nearest to but not exceeding one third, shall retire from office at each annual general meeting.
- 46 The Directors to retire at each annual general meeting shall be those who have been longest in office since their last appointment but as between persons who became Directors on the same

day, those to retire shall (unless they otherwise agree among themselves) be determined by lot. A retiring Director shall be eligible for reappointment and shall act as a Director throughout the meeting at which he retires.

- 47 The Association may, by ordinary resolution at the meeting at which any Director retires in the manner aforesaid, fill the vacated office by appointing a person thereto and in default the retiring Director, if willing to act, shall be deemed to have been reappointed unless at such meeting it is expressly resolved not to fill such vacated office or a resolution for the reappointment of such Director shall have been put to the meeting and lost.
- 48 No person other than a Director retiring at the meeting shall, unless recommended by the Board for appointment, be eligible for appointment to the office of Director at any general meeting unless, not less than seven nor more than twenty-one Clear Days before the date appointed for the meeting, there shall have been left at the Office notice in writing signed by three or more members, duly qualified to be present and vote at the meeting for which such notice is given, of their intention to propose such person for appointment and also notice in writing is received by the Association signed by the person to be proposed indicating his willingness to be appointed.
- 49 The Association may by ordinary resolution increase or decrease the number of Directors and determine in what rotation such increased or reduced number shall go out of office and if the number is increased may (subject to the provisions of Article 47) make any appointments necessary to fill the vacancies thereby created.
- 50 The Board shall have power at any time to appoint any person to be a Director either to fill a casual vacancy or as an addition to the existing Directors but so that the total number of Directors shall not at any time exceed the number fixed in accordance with these Articles. Any person so appointed to fill a casual vacancy shall be subject to retirement by rotation at the same time as if he had become a Director on the day on which the Director in whose place he was appointed was last appointed as a Director. Any person so appointed as an addition to the existing Directors shall hold office until the next following annual general meeting and shall then be eligible for reappointment but shall not be taken into account in determining the Directors who are to retire by rotation at such meeting.
- 51 The office of a Director shall be vacated if such Director:
- (a) becomes bankrupt or makes any arrangement or composition with his creditors generally;
  - (b) becomes incapable by reason of mental disorder of managing and administering his property and affairs;
  - (c) ceases to be eligible for appointment as a Director;
  - (d) being a Manager Director, ceases to be employed by the Managers;
  - (e) ceases to be a Director or is prohibited from being a Director by an order made under any provisions of the Acts or law;

- (g) ceases in the opinion of the Board to be actively engaged in business;
- (h) attains the age of 70 (unless with the agreement of the Board);
- (i) has served a total of 10 years (unless with the agreement of the Board);
- (j) has served upon him a notice in writing signed by all his co-Directors, but so that if he holds an appointment to an executive office which thereby automatically determines such removal shall be deemed an act of the Association and shall have effect without prejudice to any claim for damages for breach of any contract of service between him and the Association.

52 In addition to any power to remove a Director conferred on the Association by the Acts, the Association may by special resolution remove any Director before the expiration of his period of office and may, if thought fit, by ordinary resolution appoint another person in his stead. Any person so appointed shall be subject to retirement by rotation at the same time as if he had become a Director on the day on which the Director in whose place he was appointed was last appointed as a Director.

### **Proceedings of the Board**

53 The Board shall meet from time to time as may be required for the purposes of the business of the Association and when, and so often as, a meeting of the Board shall be convened by the Chairman (if any) or the Managers; reasonable notice shall be given to each member of the Board. The quorum necessary for the transaction of business of the Board shall be five or such higher number as from time to time may be fixed by the Board.

54.1 Subject to Article 54.2 the Board or any validly constituted sub-committee of the Board may meet together (either in person and/or by telephone or any other communication equipment which allows all persons participating in the meeting to hear each other) for the despatch of business, adjourn and otherwise regulate their meetings as they think fit. A person participating in any such meeting by telephone or other communication equipment shall be deemed to be present in person at the meeting and shall be entitled to vote and be counted in the quorum accordingly. Such a meeting shall be deemed to take place where the largest group of those participating is assembled, or, if there is no such group, where the chairman of the meeting then is.
