Subject: Huatai Info-Updates on Chinese Port Information during COVID-19 outbreak. - Mar 10th, 2020

Dear Sirs/Madams,

With the improvement of the epidemic situation, work resumption is taking place across China except for Hubei province, the hardest-hit region. With the increase of overseas COVID-19 cases, ports are becoming the front line of the battle against the epidemic. Most protective measures implemented by port authorities are still in force and we suggest shipowners to keep on following the notice we made in our previous Huatai Info to avoid any problems.

Please note that to date our Huatai offices have come back to normal operating condition. Though some of our staff continues to work from home, they can be reached by email and mobile phone as normal. Besides the daily case handling, we shall keep collecting relevant information on COVID-19 related policy as well as latest port situation to protect Club/Members' best interests. At the end of this Info we hereby provide the updated port information collected from local parties concerned (port authorities, survey firms, etc.) to help Club/Members make the best arrangement when your good vessel facing any potential claims during calling at Chinese ports.

We really appreciate all your thoughtfulness and concern about our situation during Covid-19 epidemic. We hope the outbreak ends soon. Wish you, your family and your colleagues safe and healthy, all the best!

Best regards,
Huatai Marine Team
