NOTICE

Cessation of Force Majeure Event at The Dhamra Port Company Ltd.

Through notice dated 24th March 2020, owing to Covid-19 Pandemic, The Dhamra Port Company Limited had notified Force Majeure Event and stated that the Port was not responsible for any claims, damages, charges etc. whatsoever arising out and/or connected to the above Force Majeure Event, either directly or indirectly, which without any limitation would include vessel demurrages.

However, now in light of the various unlock guidelines issued by the Ministry of Home Affairs, Government of India as well as by the respective State Government, as well as keeping in mind the fact that port services are categorised as "Essential Services", we, therefore in the interest to protect and secure the supply chain of the industries, inform your good self about the cessation of Force Majeure Event.

Although the impact of the said Force Majeure Event continues and we are contemplating the extent of its impact, we endeavour to normalize the port services as soon as possible and practicable.

Thanking You

For The Dhamra Port Company Limited
